

Setting ESL/ELL and 11+ options in Reading Kingdom

- Once you are logged in, from the dashboard menu select Account Settings > Manage Student Settings.

- To change to ESL/ELL:** On the Manage Student Settings page, under “Mode” select the option for either “Native English Speaker” (default) or “ESL/ELL.” Once selected, this option enables additional spoken English language reinforcement for students and additional customizations designed specifically for English Language Learners.
- To change to 11+:** On the Manage Student Settings page, under “Student Age” select the option for either “Native English Speaker” (default) or “ESL/ELL.” Once selected, this option presents students with a program that is designed for older students. This includes completely different artwork, reporting, layout and instructions.

- You can make these changes for an entire class at once using the “Apply to all” button at the top, or individually by student using each student’s individual setting.
- Once you are done with your settings, make sure to click the “Save all” button at the bottom right of the page to save your updated settings.
